Welcome to Vantage Medical Group

Performance and Integrity in Medical Group Management

Providing healthcare management services and access to a full network of physicians and hospitals in your community.

The health of your business is measured, not just on the strength of the bottom line, but on the health and fitness of a productive workforce – and their access to medical care.

Home Screen

The screenshot shows the Vantage Medical Group Home Screen. The header includes the logo, the text "VANTAGE MEDICAL GROUP", and "Providing Healthcare Management". The right side of the header shows user information: "Home | Log Out", "Logged in: Providertest777", "Providertest777", "Message Center (0 New)", "Role: De fault Provider", and "Access List: CARCAMO, MARIO P". The main content area is divided into three sections: "Patient Management", "Office Management", and "Administration". Each section has a corresponding callout box with an arrow pointing to the relevant menu items. The "Patient Management" callout points to the "Current Patient" dropdown and "Search Patients" link. The "Office Management" callout points to the "Eligibility", "Claims", "Re ferrals/Auths", "Provider Dire ctory", "Formulary", "Code Lookup", "Re ports", and "File Transfer Agent" links. The "Administration" callout points to the "User Pre ferences" link.
